

# Fall 2016 Night Sky Astronomy Course

## What:

Night Sky astronomy courses help to foster an appreciation of the night sky and an understanding of dark sky conservation.

## WHEN:

Friday, September 2, 2016 at 8:15 pm. Subsequent 4 sessions will be determined according to weather and group consensus.

## WHERE:

Mill of Kintail Conservation Area  
2854 Ramsay Concession 8, Mississippi Mills.

## COST:

Donations are encouraged. All proceeds are used to fund Night Sky programming.

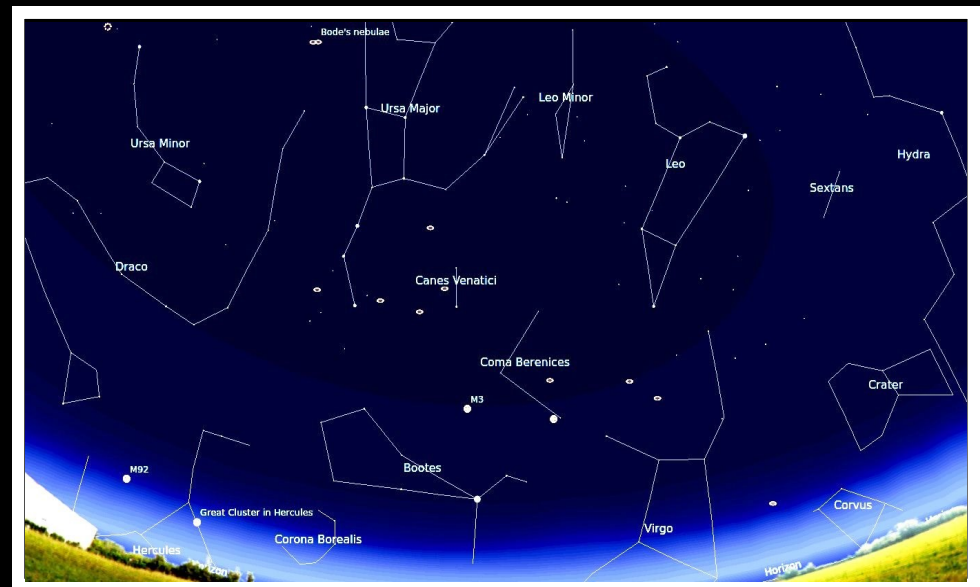

## TO REGISTER:

Registration will occur on Friday, September 2, 2016. Attendance is mandatory for this session. Following sessions are available on a drop-in basis.
